On motion by Steven Cunningham, seconded by Tyrone Jackson, all Board members legally present and participating voted unanimously to approve the Rules and Regulations of the Governor's Emergency Educational Relief Fund Summer Grant Program, contingent upon completion of the Administrative Procedures Act process.

2. Review and Approve Rules and Regulations for the Governor's Emergency Educational Relief Fund Summer Grant Program (GEER)

In late September 2021, the Governor's office reached out and inquired about possible ways to spend federal COVID relief funds for financial aid. The Office sought feedback from the Advisory Committee and responded to the Governor's Office with a list of ideas. On November 8, 2021, the Office received notice of a \$3.5 million award to be funded through the second round of the federal Governor's Emergency Educational Relief Fund. The money should be used to make one-time supplemental grants during the Summer 2022 term to students who may have fallen behind during the pandemic and need to take additional courses during the summer. The Governor's office did not outline specific parameters for the program but specifically requested that grants be made available only to continuing students and to students who may not have the expendable income or other resources with which to take additional summer courses.

The Office surveyed the institutions to determine the potential population of summer school students and discovered that nearly 30,000 undergraduate students take summer hours. Demand is expected to far surpass the availability of funds. Therefore, the Office is recommending applicants submit a separate online application and be awarded on a first-come, first-served basis. Applicants must have at least 12 earned hours of college credit, a 2.0 GPA, and be enrolled in at least 3 summer hours. Applicants must also have completed a FAFSA and have an EFC below 15,000 to be considered. Grant amounts will be \$500 to community college students and \$1,000 to private and public university students.

Summary: The Office requests approval of the Rules and Regulations of the Governor's Emergency Educational Relief Fund Summer Grant Program, contingent upon completion of the Administrative Procedures Act process.

REGULAR AGENDA

1. Update on FY 2022 Awards and Budget

Summary:

As expected, the FY 2022 appropriation was adequate to fully fund the undergraduate grant programs. For the first time in several years, the Mississippi Office of Student Financial Aid did not request additional funds mid-year through a deficit appropriation to award state-supported grants.

The Office did request and receive additional spending authority in the amount of \$3,500,000 to administer the Governor's Emergency Education Relief (GEER) Summer Grant Program. Authority was appropriated through SB 3055. Chart 1 on page 9 includes details of the FY 2022 appropriation.

Recommendation:

No action is required.

2. Presentation of FY 2023 Appropriation and Approval of Appropriation Allocation

The Mississippi Office of Student Financial Aid presents the Fiscal Year 2023 Appropriation, and requests approval of the appropriation allocation for Aid Year 2023.

Summary:

Each year in June, the Board approves the Office's annual budget request, or MBR, for the subsequent fiscal year. Because of the nature of financial aid, the actual fiscal needs of the Office may vary substantially between the time the budget is requested in June and the following spring when legislators are setting budgets and making appropriations for the subsequent fiscal year beginning July 1. For this reason, the Office often submits a revised request to the Legislature near the end of the session.

Chart 1 on page 9 includes details of the FY 2022 appropriation, the original FY 2023 MBR, the revised FY 2023 request, and the FY 2023 appropriation. In the official budget request submitted June 2021, the office requested \$53,061,307 in General Funds and \$2,610,000 in Spending Authority. In March 2022, the Office submitted a revised request of \$48,459,681 in General Funds and \$7,850,000 in Spending Authority based on actual AY 2022 awards and AY 2023 applications.

The 2022 Mississippi Legislature passed *SB 3009, Appropriation; IHL – Student Financial Aid*. As shown in Chart 1 on page 10, SFA will receive \$50,631,667 in General Funds and \$9,500,000 in Spending Authority/Special Funds.

The General Fund appropriation is about \$2.2 million *more* than we requested in our reduced budget request, and the total appropriation is about \$3.8 million *more* than our reduced budget request. It is also \$9.7 million more than the original FY 2022

appropriation (\$3.5 million more in General Funds) and about \$6.2 million more than the final FY 2022 appropriation.

Allocation:

Miss. Code Ann. § 37-106-14 (2) requires the Board to award grants first and limit loans on a first-come, first-served basis with preference for renewals only if funding is sufficient. The appropriation is adequate to award all grants projected at this time as well as most loans. The appropriation bill provides specific appropriation for certain programs as follows:

- SREB Regional Contract Program (SREB):
Section 4. It is the intention of the Legislature that...the Board...shall expend...an amount not exceeding the funding necessary, contingent upon the availability of qualified applicants, for nine (9) new entering optometry students and the number of returning optometry students who received funding under the program during the preceding school year.
- Law Enforcement Officers and Firemen Scholarship (LAW):
Section 5. It is the intention of the Legislature that priority shall be given and funds shall be first allocated to all students eligible for financial aid under the provisions of Section 37-106-39, Mississippi Code of 1972.
- Speech-Language Pathologist Forgivable Loan (SLPL):
Section 10. Of the funds appropriated in Section 1, an amount not to exceed Seventy Thousand Dollars (\$70,000.00) is provided for the Speech-Language Pathologists Loan Forgiveness Program....
- Winter-Reed Teacher Loan Repayment Program (WRTR):
Section 12. Of the funds appropriated in Section 2, Two Million Dollars (\$2,000,000.00) shall be derived from funds in the Education Enhancement Fund

REGULAR AGENDA

deposited pursuant to Sections 27-65-75 and 27-67-31 Mississippi Code of 1972. This amount shall be used for the William F. Winter and Jack Reed, Sr. Teacher Loan Repayment Program established in HB 1179, 2021 Regular Session.

- NEW: Fostering Access and Inspiring True Hope (FAITH) Scholarship: *Of the funds appropriated in Section 2 of this act, One Million Dollars (\$1,000,000.00) shall be derived from funds in the Education Enhancement Fund deposited pursuant to Sections 27-65-75 and 27-67-31 Mississippi Code of 1972. This amount shall be used for the Fostering Access and Inspiring True Hope (FAITH) Scholarship Program Act established in HB 1313, 2022 Regular Session.*

Chart 2 on page 11 shows the FY 2023 Proposed Allocation. The FY 2022 Actual Awards and Expenditures represent the actual amounts expended or anticipated for expenditure for the current year. The FY 2023 Projected Awards and Amounts represent the proposed allocation of awards and costs. The FY 2023 Appropriated Amounts represent the actual appropriations. The final column represents the unneeded or unavailable amount of the appropriation (the difference between the previous two columns).

The proposed allocations are as follows:

- Fund administrative budgets with a personnel increase for a new position and cost of living raises.
- Fully fund grant budgets (MTAG, MESHG, and HELP).
- Award 9 new contract seats and all renewals for SREB, as required in Section 4.
- Award the maximum \$70,000 in funding for SLPL, as allowed in Section 10.
- Award the remaining forgivable loans up to approximately \$2.5 million.
- Award all eligible LAW applicants, as required in Section 5.
- Award the Nissan Scholarship (NISS) and GEER Sumer Grant Programs, which are funded separately with spending authority.
- Although funded at \$1 million for FY 2023, the FAITH statute requires the first awards to be made in AY 2023-24.
- Award 150 new and 150 renewal teachers through WRTR, as required in Section 12. Although funded at \$2 million for FY 2023, expenditures will not exceed \$1,350,000.

In addition to General Funds, the proposed allocation utilizes \$2.5 million from collections. The appropriation allowed for nearly \$3 million to be expended from collections, but about \$500,000 of the allowable amount will not be available at the beginning of the fiscal year. If actual awards exceed projections, the Office will have the ability to spend additional dollars collected over the course of FY 2023.

Recommendation:

Board staff recommends approval of this item.
