III. LENGTH AND AMOUNT OF AWARD

- A. The annual award amount for the HELP Scholarship varies, since it is the actual tuition charged by individual Mississippi public institutions. The annual award amount for the HELP Scholarship for attendance at a Mississippi non-public four-year institution shall not exceed the average charges and fees required by all of the four-year public institutions of higher education. The annual award amount for the HELP Scholarship for attendance at a Mississippi non-public two-year institution of higher education shall not exceed the average charges and fees required by all of the two-year public institutions of higher education.
- B. A maximum cumulative award amount is not established; however, a recipient may only receive this scholarship for 8 semesters or 12 trimesters.
- C. The HELP Scholarship is not available for summer school.
- D. When the HELP Scholarship is added to a student's award package, the total award package will not exceed the institution's cost of attendance or some other

limitation established by the institution which may be less than the cost of attendance. If an overaward occurs, the HELP Scholarship will be reduced.

- E. The applicant must not be receiving a tuition and required fees waiver or tuition and required fees award from another state financial aid source including, but not limited to, the Teacher Education Scholars Forgivable Loan.
- F. All awards are dependent upon the availability of funds. All eligible students shall receive a Higher Education Legislative Plan for Needy Students (HELP) award; however, the amount of each award depends upon the availability of funds as authorized by the State Legislature. Undergraduate grant awards will be offered to individual applicants through the single undergraduate grant program that offers the applicant the largest award.
- G. Payment of HELP awards shall be disbursed directly to the educational institutions and applied first to tuition and required fees.
- H. If a recipient transfers from one eligible Mississippi institution to another, the award will be transferable, provided the student applies for the Scholarship and is otherwise eligible.

IV. LOSS OF ELIGIBILITY

- A. Failure to maintain academic eligibility will result in cancellation of the recipient's eligibility for the HELP Scholarship, until academic eligibility can be reestablished. Exception for cause will not be considered.
- B. Failure to maintain continuous full-time enrollment will result in cancellation of the recipient's eligibility for the HELP Scholarship; however, the student may file an appeal for reconsideration with the Office of State Student Financial Aid and may be granted an exception for cause.
- C. A HELP Scholarship recipient, who was denied continuation because of failure to show financial need during one academic year, may be reinstated in a subsequent academic year, upon written request to the Office of State Student Financial Aid, if he or she is once again able to demonstrate financial need and has maintained all other eligibility requirements.
