## Executive Summary

The Mississippi Office of Student Financial Aid (the Office) is the administering agency for all state-funded student financial aid programs with the exception of the Leveraging Education Assistance Partnership (LEAP) Grant program, which is administered jointly by the Office and the Mississippi higher education institutions. The Office also administers a number of other financial aid programs, which are funded through alternate sources.

### Mission

The Office is guided by a two-fold public service mission to provide financial assistance to students in pursuit of educational and professional goals and to help the state fulfill critical needs in specific service areas and achieve the goal of a more educated citizenry. The Office seeks to build public awareness of the diverse financial resources available through ongoing communication with individuals, colleges and universities, secondary schools, governing boards, legislators, communities, and other constituency groups.

### Funding for the 2009-10 Aid Year

For the 2009-10 Aid Year, the Office received an initial appropriation of \$30.2 million (General Funds) and \$1.7 million (Special Funds) in carryover dollars from previous aid years. General Funds were reduced by nearly 9.5% or \$2.9 million through a series of five mid-year reductions. With state support and other funds (Federal grants, Ayers settlement funds, investment interest income, collection revenues, etc.), the Office ended the year with \$30.1 million available for awards and administration. This represents an increase of 1.3% over the previous year.

### Overview of 2009-10 Awards

The Office awarded **28,453** awards, totaling **\$28,745,611** to students during the 2009-2010 Aid Year. A total of **28,070** awards, totaling **\$27,275,175** was awarded to students through twenty-six (26) state-supported student financial aid programs. An additional **\$1,470,436.00** was awarded to students in **383** awards through five (5) award programs funded through alternate sources. Some students received assistance through more than one program. The average award for state-supported student financial aid programs for the 2009-10 Aid Year was **\$971.70**, an increase of 7.34%.

### Funding Disparities

Due to the availability of state support, some student financial aid programs cannot be fully funded. For such programs, money is awarded on a first-come, first-served basis until funds have been exhausted. For the 2009-2010 Aid Year, 99% of all eligible applicants received funding. All undergraduate grant applicants received assistance. A total of 358 undergraduate and graduate loan/scholarship applicants did not receive an estimated \$1,535,599.

### Distribution of Aid by Institution Type

The Office awards financial aid to students at private and public four-year colleges and universities and to students at public two-year colleges. Aid is awarded to students attending out-of-state institutions when the program of study is not available to the student in Mississippi. Mississippi also repays undergraduate student loans for teachers working in critical teacher shortage areas of the state.

| Institution Type | Awards | Amount        |
|------------------|--------|---------------|
| 4-Year Private   | 3,108  | \$ 3,790,851  |

## Executive Summary

### Distribution of Aid by Award Type

Grants and loan/scholarships are the two primary forms of state-supported student financial aid. Grants are awards that do not have to be repaid. Of all state-supported student financial aid awarded in the 2009-2010 Aid Year, grants made up 77% and loan/scholarship made up the other 23%.

### State-Supported Programs: Funding Disparities

Due to the availability of state support, some student financial aid programs cannot be fully funded. For these programs (highlighted below), money is awarded on a first-come, first-served basis until funds have been exhausted. The table below shows the total number of eligible applicants, the number of applicants who received awards, the calculated rate at which programs were funded, the average award amount, the number of eligible applicants not funded, and the resulting funding disparity.

## Summary Detail

### Summary of Accounts in Repayment at the Close of the Fiscal Year

State-supported loan/scholarship awards may be repaid through service or money. Paid in Full Accounts are accounts that were paid in full during the fiscal year. The Office works with ACS Campus Products and Services to service loan/scholarship accounts in repayment. If ACS is unable to service an account, the account is placed with a collection agency. Below is a summary list of the account status of all loan/scholarship accounts in repayment at the close of the 2009-2010 Aid Year. Current accounts are accounts for which no principal or interest is currently past due. Current accounts may be repaid by service or money. Noncurrent accounts are accounts that are past due (less than 3 months), delinquent (more than 3 months), on a temporary payment plan, or placed with a collection agency.

## Higher Education Legislative Plan for Needy Students (HELP)

Higher Education Legislative Program awards are available to academically qualified undergraduate students with demonstrated financial need, pursuing full-time a first certificate, associate's, or bachelor's degree at a Mississippi college or university. Students may receive tuition and required fees for no more than ten (10) semesters, regardless of the dollar amount received. To be eligible, students must first receive the HELP grant as a freshman or sophomore. Students must be Mississippi residents with a 2.5 GPA and a composite score of 20 on the national ACT. Students also must have completed a specific high school core curriculum. Students must complete the FAFSA (Free Application for Federal Student Aid) and have a 2-year average adjusted gross income less than \$36,500 per year for a family with one dependent. The application deadline is March 31.

## Leveraging Educational Assistance Partnership (LEAP)

Leveraging Educational Assistance Partnership awards, funded in part with state dollars and in part with federal dollars, are available to undergraduate students with substantial financial need, who are attending full-time a Mississippi college or university. Awards are administered by the financial aid office on the campus of each participating institution. The award amount varies by student, but cannot exceed \$1,500 per year. To be eligible, students must be U.S. citizens or eligible non-citizens and Mississippi residents with a high school diploma or its equivalent. Students must complete the FAFSA (Free Application for Federal Student Aid) and demonstrate substantial financial need. The application deadline varies among institutions.

## SREB Regional Contract Program - Osteopathic Medicine and Optometry (SREB)

Southern Regional Education Board Regional Contract Program Loan/Scholarship awards are available to students seeking an Osteopathic Medicine degree or an Optometry degree at an approved out-of-state school. Participants may fulfill the loan-to-scholarship service obligation by working as an osteopathic medical doctor or optometrist in Mississippi for one year for each year of loan received. The state pays an annual amount determined by the Southern Regional Education Board to the out-of-state institution to ensure seats are available for Mississippi students and to negotiate a reduced tuition for up to four (4) years or for the normal time required to complete the curriculum. To be eligible, students must be Mississippi residents and must attend full-time. The application deadline is March 31 each year.
